

M-Path Instructions - SMA Daily Life Study

To participate in this study, you will use a smartphone app called “m-Path”.

This application will send six short questionnaires every day, and you will respond on your smartphone. The app is designed with very simple graphics and is easy to use. You can use m-Path wherever you go, you only need your phone and an Internet connection.

Below, you can read instructions on how to download and set up m-Path for this study. You can also find general information about the app’s functionality.

Download and set up m-Path for the SMA Daily Life Study
